Mr Martin Kenny, TD,
Dáil Éireann,
Leinster House,
Kildare Street
Dublin 2

17th November 2025

PQ 55529/25 To ask the Minister for Health for an update on a project (details supplied: the Sligo Primary Care Centres, upgrade. 3 build for Nazareth House, the Tubbercurry Primary Care Centre and the Business case for Collooney Primary Care Centre) in County Sligo. -Martin Kenny

Dear Deputy Kenny,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question which you submitted to the Minister for Health for response.

Please see updates below on the three Primary Care Centres in Sligo as per your request.

Tubbercurry

The provision of a primary care centre for Tubbercurry, Co Sligo, will be via the HSE Capital Plan. A detailed design of this facility has been completed and it is expected to commence the tender process for the project in Q4 2025. Subject to a successful tender process it is expected that construction will commence in 2026.

Nazareth House

The project for the final phase of the capital programme at Nazareth House, Sligo for the provision of a Primary Care Centre is currently in design. As part of that process prior to commencing the tender process, a review of the proposed design will be undertaken in line with Infrastructure Guidelines Gate 2.

Collooney PCC

Service requirements are to be established for Collooney Primary Care Centre, following which a proposal may be progressed with infrastructure works in line with the Infrastructure Guidelines.

Yours sincerely

Micheál Conneely
Interim National Director
Capital & Estates
