Deputy Claire Kerrane
Dáil Éireann
Kildare Street
Dublin 2
29th September

PQ 44481/25 Ref: St Brigid's Campus Ballinasloe Co. Galway

Dear Deputy Kerrane,

The Health Service Executive has been requested to reply directly to you in the context of the above representation (PQ 44481/25) which you submitted via the PAD system, due for response. I have linked with our Estates Department for an update, and the following outlines the current position.

O'Donnellen & Joyce (ODJ) have been appointed as the sales agent and they are currently finalising their procurement strategy which will outline their recommendations regarding the disposal process for the St. Brigid's Campus.

Title rectification is progressing following engagement with Tailte Éireann and the support of the HSE's legal advisor. In parallel consultation has commenced with the HSE's legal advisors in relation to the terms of the contract/s. Depending on progress with the title rectification process, it is hoped that the HSE will be in a position to bring the property to market early in Q1 2026.

I trust this answers your queries, and please contact us if there are any further issues.

Yours sincerely,

Colette Ansbro
General Manager,
IHA Manager Galway Roscommon,
HSE West and North West.
