Deputy David Cullinane  
Dáil Éireann  
Leinster House  
Dublin 2

**Re PQ 44742/25 - To ask the Minister for Health the number of dentists in Laois who will now take on new clients under the dental treatment service scheme; and the list of practices that do so.**

Dear Deputy Cullinane

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question, which you submitted to the Minister for Health for response. I have examined the matter and outlined the position as follows.

There are currently two dentists registered with the Dental Treatment Services Scheme, (DTSS) for medical card patients in Co Laois and one of these practices is taking on new clients. Adult medical card holders who wish to attend a registered DTSS dentist are not limited to their local area, they are entitled to attend any registered DTSS dentist across the country. I attach the current list of all Midlands counties registered DTSS dentists, which includes details of the dentist in Laois which is taking on new patients.

The HSE public dental service in Portlaoise Dental Clinic provides an emergency service for adult medical card holders who cannot access a DTSS dentist, the telephone number for this clinic is 057-8692625.

I trust this information is of assistance to you but please do not hesitate to contact me should you have any further queries in this regard.

Yours sincerely,

---

Joseph Ruane  
Head of Primary Care Services  
Midlands Louth Meath Community Health Organisation
