PQ 45138/25 – *“To ask the Minister for Health to provide details of the referral process to join a rehab gym (details supplied), the number of persons on the waiting list to join this gym following referral and the number of gym sessions permitted following being referred to this gym”* - **Tom Brabazon TD**

Details Supplied: Coolock Primary Care Centre

Dear Deputy Brabazon,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question you submitted to the Minister for Health for a response. I have examined the matter and the following outlines the position.

Coolock Primary Care Centre is located in the Integrated Health Area Dublin North County. It offers a wide range of integrated care services designed to support the health and wellbeing of the local community. The centre has four on-site gyms, which are used as part of treatment plans for clients referred to appropriate services. Following a clinical assessment and where gym sessions are indicated, bookings are made on a case-by-case basis by the treating clinician. There are no waiting lists once the assessment is complete.

Referrals can be made through GP's, Public Health Nurses and other Healthcare professionals, as well as via self-referral.

I trust this information is of assistance to you, but should you have any further queries please do not hesitate to contact me.

Yours sincerely,

Fiacra McGuirk
General Manager Primary Care
Dublin North County
