**PQ ref 45573/25**

**‘To ask the Minister for Health the number of residents accommodated by the HSE in a property acquired for residential mental health service use in a location (details supplied) and the opening date of that service.’**

**Details supplied: Lauriston, Midleton**

Dear Deputy Quaide,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question, which you submitted for the Minister for Health for a response. I have examined the matter and the following outlines the position.

Lauriston is a 3-bedroomed property which was opened in May 2024 and currently there are two residents residing there, with a further one person transitioning to residing from an approved centre in the near future.

I trust the above clarifies the queries raised. Please do not hesitate to contact me if you have any further queries.

Yours sincerely,

---
