To ask the Minister for Health the number of public referrals made to a mental health service (details supplied) in 2024; and the number of referrals refused, in tabular form.

Dear Deputy Clarke,

I refer to the above parliamentary question. I have examined the matter and the following outlines the position.

The HSE does not keep a record of this information, as St. Patrick's is a private facility.

We don't track the number of referrals, we only track the number of people admitted that would be funded by the HSE.

I trust this information is of assistance to you.

Yours sincerely,

Mr Kevin Brady,
Head of Service Mental Health
Community Healthcare Dublin South, Kildare West Wicklow
