Deputy Martin Daly
Dáil Éireann
Leinster House
Dublin 2

16th September 2025

PQ 46162/25 To ask the Minister for Health the total number of in-patients beds in each public/voluntary hospital including any beds currently/temporarily closed; the total number of day case beds in each including any beds currently/temporarily closed; the equivalent figures for both categories of bed in each public/voluntary hospital on 1 January 2020, in tabular form; and if she will make a statement on the matter. -Martin Daly

Dear Deputy Daly,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question, which you submitted to the Minister for Health for response.

I wish to advise you that the Business Intelligence Unit (BIU), HSE Planning and Performance has provided the data you have requested in the attached table as at June 2025. I am advised by the BIU that the requested 2020 comparative data is not available. I am advised that following an extensive Hospital Bed Management System (HBMS) audit which validated how hospital beds were reported, the data from January 2020 is not comparable and cannot be provided.

I trust this is of assistance to you.

Yours Sincerely,

Carol Ivory
General Manager

Please note data contained in this report is preliminary and may be subject to change

If information contained within this file is used in other report:
then as a minimum requirement BIU must be referenced.
