Dear Deputy O'Callaghan,

The Health Service Executive (HSE) has been requested to reply directly to you in the context of the above Parliamentary Question (47635/25) which you submitted to the Minister for Health for response.

The HSE is committed to delivering efficient high-quality services to all eligible service users. In 2024, there were over 1.3 million patients seen by HSE Primary Care services. Primary Care Access and Integration is focused on improving access to care in order to reduce waiting times for patients. This includes monitoring the waiting list on an on-going basis in the context of available resources.

Please find the attached Appendix 1, which contains, in tabular form, details of the Primary Care waiting lists for each RHA area, as at the end of August 2025 which is the latest data available at this time.

The below table provides figures regarding positions unfilled in Primary Care, as the end of July 2025, which also is the latest information available at this time:
