Mr. Seamus Healy, TD,
Dáil Éireann,
Leinster House,
Kildare Street,
Dublin 2.

PQ 47979/25* To ask the Minister for Health when the completed 50-bed Community Nursing Unit at Glenconnor, Clonmel will be opened; and if she will make a statement on the matter.

Dear Deputy Healy,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question which you submitted to the Minister for Health for response.

The provision of a new Community Nursing Unit in Clonmel is part of 7 Community Nursing Units (CNU) being delivered through the Public Private Procurement (PPP) process.

Based on the current construction programme, the estimated completion date for Clonmel CNU is likely to be in the coming months, following which the building will be handed over to the HSE. The service will then commence with the HIQA registration process prior to bringing the Community Nursing Unit into operation.

Yours sincerely

Ciarán Ruane
