Re: PQ ref 48087/25; To ask the Minister for Children; Disability and Equality to provide an update on moving Cavan and Monaghan CDNTs into the Dublin north-east area from the current CHO1 region.

Dear Deputy Carthy,

I refer to your parliamentary questions above which have been referred to me for response. I have examined the matter and the following outlines the position.

The Children Disability Network Team (CDNT) service is already contained geographically within Cavan Monaghan. Enable Ireland deliver CDNT services in Cavan and the HSE deliver services directly in Monaghan.

Since March 2025, the focus of change in the HSE has been on the IHA structures. Hospital Groups and CHOs have transitioned to the HSE Health Regions. The CHOs and their management structures will be stood down on a planned basis. Services being delivered to children and families in Cavan and Monaghan will not be affected by changes in structure.

All HSE services, including CDNT, will transition to the new region in a planned and safe manner.

I trust this information is of assistance to you, but should you have any further queries please do not hesitate to contact me.

Yours sincerely,

Dervila Eyres,

IHA Manager Cavan Monaghan
