RE: PQ ref 48115/25 - Number of ED Consultants and Registrars - Beaumont Hospital - To ask the Minister for Health the number of consultants in emergency medicine, consultants in critical care and emergency medicine registrars on duty each night within the accident and emergency department of Beaumont Hospital between the hours of 8pm to 8am between 24 and 31 August 2025 inclusive.

Dear Deputy Barbazon,

Please be advised of the following:

One Emergency Medicine Consultant is on call overnight in the Beaumont Hospital Emergency Department and will attend the hospital when required, supported by three registrars rostered for night duty with an onsite presence. Critical Care Consultants are not based within the Emergency Department, as this service is provided separately within the hospital."

If I can provide any further information, please let me know.

Kind regards,

Anne Coyle
