Dear Deputy Connolly

The Health Service Executive has been requested to reply directly to you in the context of the above Representation which you submitted to the Minister for Health for response. I have examined the matter and the following outlines the position.

I refer to your Parliamentary Question in relation to the number of patients currently waiting for a podiatry appointment in CHO2

I can confirm that there are currently 840 patients waiting on their first appointment for Podiatry Services in CHO2.

I trust this information is of assistance to you, but should you have any further queries please contact me.

Yours Sincerely
