RE PQ 51656/25

Question

To ask the Minister for Health if the Health Service Executive will publish its procurement related purchase order payment reports (details supplied) in machine-readable formats such as CSV or Excel on a quarterly basis, in line with open data standards; if not, the legal, technical, or operational constraints that prevent compliance with the requirement under S.I. No. 376/2021, which transposed Directive (EU) 2019/1024 on open data and the reuse of public sector information into Irish law; and the steps the HSE or his Department has taken or plans to take to align reporting with open data principles to improve accessibility, transparency, and re-use of this information by the public - Albert Dolan. -Albert Dolan

Response

Dear Deputy Dolan,

The Health Service Executive (HSE) has been requested to reply directly to you in the context of the above Parliamentary Question which you submitted to the Minister for Health for response.

The HSE will be transitioning from publishing Purchase Order Payment Reports in pdf format to machine readable format for the next quarterly report. Q1 2021 to Q2 2025 reports are also going to be replaced with machine readable reports. We will continue the review of data 2014 to Q3 2021 with a view to publishing in machine readable format by the end of the year.

I trust this information is of assistance to you, but should you have any further queries please do not hesitate to contact the Office of the National Director of Procurement on (01) 635 2251 or via ProcurementND@hse.ie.

Yours sincerely,

Gareth Morton | National Director of Procurement | HSE | Dr. Steevens' Hospital | Dublin 8 | D08 W2A8 |
