PQ 51936/25* To ask the Minister for Health to provide an update on a site (details supplied: St Brigid's in Ballinaloe); the HSE plans for the lands retained; and if she will make a statement on the matter. -Claire Kerrane

Dear Deputy Kerrane,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question, which you submitted to the Minister for Health for response.

A sales agent has been appointed and the disposal strategy for the campus is currently being finalised.

Some of the land parcels require title rectification before they can be brought to the market and this is currently being worked through.

The future use of the lands to be retained is under review by the HSE and will be considered in the context of service plans for the area.

Yours sincerely

Micheál Conneely
Interim National Director
