

## Pathology Department

The Pathology Department at the Midland Regional Hospital, Tullamore (MRHT) is comprised of the following key disciplines: Biochemistry, Blood Bank, Haematology, Histopathology and Microbiology. All laboratories are situated together on the ground floor of the hospital.

The Pathology Department, MRHT, is committed to providing a high quality, efficient and comprehensive service to its users. The Pathology Department participates in external quality accreditation schemes, such as ISO 15189 which is monitored by the Irish National Accreditation Board [INAB]. INAB monitors total quality performance and also checks for compliance with the EU Blood directive 2002/98/EC. The quality of results is of fundamental importance and the Pathology Department operates to strict scientific and management standards. Results are authorised within a framework of comprehensive internal and external quality control and assurance.
