

Identification of preferred blood glucose test strips with associated blood glucose meter(s) for adult patients with type 1 and type 2 diabetes mellitus

Cover Page for Submissions

For all submissions relating to particular test strips with associated meter(s), section A must be completed and included as the cover page for the submission. All test strips and associated meter(s) included in the submission must be listed in the table below.

In addition, suppliers of test strips with associated meter(s) must also complete section B, and include as the cover page for the submission.

Section A:

Test strip name	PCERS reimbursement code	Associated meter(s) compatible with test strip (must be in line with published criteria* including availability free of charge to patient)

*HSE-Primary Care Eligibility and Reimbursement Service Personal Diagnostic, Monitoring & Delivery Devices Guidelines for Suppliers. February 2020. Available: <https://www.hse.ie/eng/about/who/cpu/non-drug-reimbursement-applications/personal-diagnostic-monitoring-and-delivery-guidelines/personal-diagnostic-monitoring-and-delivery-reimbursement-guidelines-feb-2020.pdf>.

Section B:

I, the undersigned, confirm compliance with:

- *Applicable national standards and European Commission standards*
- *All applicable laws*
- *ISO 15197:2013*

for all products (test strips and meters) listed in the table above.
