

Public Consultation End to End Model of Care for Asthma

The National Clinical programme for Respiratory would welcome your feedback on the draft **End to End Model of Care for Asthma** before submission to the HSE.

Thank you to all who have contributed to the update of this guideline. Your advice and expertise have been very much appreciated.

The guideline can be downloaded from

<https://www.hse.ie/eng/about/who/cspd/ncps/asthma/resources/>

The closing date for feedback is COB of 29th October 2021, **12 noon**. **Feedback will only be accepted via the questionnaire** which is attached and this must be emailed to susan.curtis@hse.ie

Please share this email with anyone who you feel appropriate.

Best regards,

The National Clinical Programme for Respiratory (COPD & Asthma)

Susan Curtis
