On opened browser screen select 'Continue' button to launch Citrix Storefront portal.

A Citrix Receiver - Security Warning may appear during launch of the Citrix Published Desktop app Office 2010. Select the

option to -> Permit Use and tick option 'Do not ask me again for this site' if you wish to avoid repeated display of warning

during Citrix remote sessions.

Select the option to either permit -> 'Read-only access' or 'Read/write access' depending on whether you wish to allow Citrix Receiver to

view or access your device's files. 'No access' will prevent any access to non-HSE device's files and folders.

Tick the option 'Do not ask me again for this site' if you wish to avoid repeated display of warning during Citrix remote sessions.
