20. WARRANTIES, INDEMNITIES, AND LIMITATIONS ON LIABILITY

- 20.1 The Registered Medical Practitioner warrants that:
 - 20.1.1 All information provided to the HSE in seeking to become a Party to this Contract was, when given, true and accurate in all material respects;
 - 20.1.2 No information has been omitted which would make the information that was provided by the Registered Medical Practitioner to the HSE materially misleading or inaccurate;
 - 20.1.3 No circumstances have arisen which materially affect the truth and accuracy of such information;
 - 20.1.4 The Registered Medical Practitioner is not aware of anything within the Registered Medical Practitioner's reasonable control which may or will materially adversely affect his ability to fulfil his obligations under this Contract.

- 20.2 The Registered Medical Practitioner further warrants and undertakes to the HSE and it will be a condition of this Contract that:
- 20.2.1 He has the appropriate and necessary qualifications, licenses, competence, capacity, expertise, consents and authority as may be necessary to carry out the Services and is compliant with professional registration requirements, as appropriate;
 - 20.2.2 The Services will at all times be provided in a manner consistent with the provisions of this Contract;

20.4 The HSE will indemnify the Registered Medical Practitioner in respect of any damages or costs arising from any claim or action by a third party and which arises directly from (a) any negligent act or default or omission of the HSE, its officers and employees pursuant to this Contract; or (b) any breach of this Contract by the HSE, provided that the HSE will conduct all negotiations in relation to any such claim or action and the Registered Medical Practitioner Staff will not enter into any negotiations or settle or compromise such claim or action without the written consent of the HSE, but will provide all reasonable assistance to the HSE in relation to such claim or action.

For the avoidance of doubt, the HSE will not be required to indemnify the Registered Medical Practitioner for any loss, damage, or injury arising from any acts, omissions or defaults (including negligent acts, omissions or defaults) or any breach of contract or duty (or statutory duty) of any other person whatsoever (including any third parties engaged by the HSE for purposes of delivering the Services (if any)).

21.1 The HSE is relying upon the judgment and expertise of the Registered Medical Practitioner and his Staff in providing the Services and accordingly, the Registered Medical Practitioner shall maintain in force at all times insurance policies or indemnity arrangements (including membership of a medical defence or protection organisation where there is provision for medical indemnity insurance or other indemnity arrangement for clinical negligence claims against the member) in respect of all customary liabilities and risks undertaken by the Registered Medical Practitioner in connection with the provision of the Services or as may reasonably be required by the HSE or by law (including professional indemnity insurance or other indemnity arrangement, employer's liability insurance and public liability insurance). The arrangements must be adequate to cover the Registered Medical Practitioner's liabilities under the Contract.

21.2 The Registered Medical Practitioner undertakes to ensure that his staff (where applicable) are covered by equivalent professional indemnity insurance/cover. For the avoidance of doubt, this does not impose an obligation on the Registered Medical Practitioner to procure directly or fund the cost of professional indemnity insurance/cover for his employees, agents or representatives employed for the purpose of providing the Services and it is acknowledged that the relevant employee, agent or representatives may be required by the Registered Medical Practitioner to procure such professional indemnity/insurance/cover and fund the cost thereof.

21.3 The Registered Medical Practitioner shall not knowingly do or permit or suffer to be done any act or thing whereby the insurances or indemnity arrangements (as set out in **sub-clause 21.1**) required by this **Clause 21** may lapse or become in whole or in part void or voidable.

21.4 The Registered Medical Practitioner shall comply with all terms and conditions of his insurance policies or indemnity arrangements (as set out in **sub-clause 21.1**) at all times. - 24.1 For the purposes of this **Clause 24**, the expression "Force Majeure" will mean fire, flood, pandemic or any disaster affecting or delaying the performance by a Party of its obligations. - 24.2 Neither Party to the Contract will in any circumstances be liable to the other for any loss of any kind whatsoever directly or indirectly caused or incurred by the other Party by reason of any failure or delay in the performance of its obligations hereunder which is due to Force Majeure. Notwithstanding the foregoing, each Party will use all reasonable endeavours to continue to perform, or resume performance of, such obligations hereunder for the duration of such Force Majeure event.
- 24.3 If either the HSE or the Registered Medical Practitioner becomes aware of circumstances of Force Majeure which give rise to or which are likely to give rise to any such failure or delay on its part it will forthwith notify the other by the most expeditious method then available and will inform the other of the period which it is estimated that such failure or delay will continue.
- 24.4 Where the Force Majeure event is continuing for a period of at least one (1) month, the other Party will have the right to terminate this Contract upon seven (7) Working Days' notice.

- 24.6 For the avoidance of doubt, it is hereby expressly declared that the only events which will afford relief from liability for failure or delay will be events falling within the definition of Force Majeure set out in this **Clause 24**.

25. ENTIRE CONTRACT

- 25.1 The Contract contains the entire agreement between the Parties and contains all the terms which the Parties have agreed with respect to its subject matter.
- 25.2 Neither Party has relied on any other written or oral agreement, representation, arrangement or understanding.

- 25.3 The Registered Medical Practitioner acknowledges that he has not been induced to enter into the Contract by a statement or promise which the Contract does not contain. The HSE is not liable in equity, agreement or tort or in any other way for a representation that is not set out in the Contract.
- 25.4 Nothing in this **Clause 25** will have the effect of limiting or restricting any liability of a Party arising as a result of fraud.

All the terms and provisions of this Contract are distinct and severable, and if any term, provision, clause, or sub-clause is held unenforceable, illegal or void in whole or in part by any court, regulatory authority or

other competent authority it will to that extent be deemed not to form part of this Contract, and the enforceability, legality and validity of the remainder of this Contract will not be affected.

28. FURTHER ASSURANCES

Each Party to this Contract will from time to time execute such further assurances and do such things and afford to the other Party such assistance as may reasonably be required for the purpose of giving full effect to the terms of this Contract.

29. FORBEARANCE AND WAIVER GENERALLY

The rights of either Party to this Contract will not be prejudiced or restricted by any indulgence or forbearance extended to the other Party, and no waiver by a Party in respect of any breach will operate as a waiver in respect of any subsequent breach. No failure or delay by a Party in exercising any right or remedy will operate as a waiver thereof, nor will any single or partial exercise or waiver of any right or remedy prejudice its further exercise or the exercise of any other right or remedy.

30. GOVERNING LAW
