Rules

Please note: no WTE approvals are available from this initiative. Compliance with financial, HR and procurement regulations are the responsibility of the successful services.

The deadline for receipt of a completed application forms is 17.00 on Wednesday 27th October. Successful HSE services will be advised on the week of the 1st November to ensure that funding is transferred within the 2021 financial year. Only fully completed application forms will be assessed.

Only 1 application per hospital or community service will be considered – please consult with your Antimicrobial Stewardship or infection control committee to ensure 1 submission is entered. Budget codes must be provided for budget transfer by 15th November. Successful services that cannot provide a budget code by that date will not receive a grant but may re-apply with the same project in 2022 if the grant process is repeated.
