

## 8: Programme Evaluation

	Strongly Agree	Agree	Neutral	Disagree	Strongly Disagree	Comments
Topics and content were well organised and interesting						
Format including activities and presentation style was appropriate to the needs of the group						
Participant questions and concerns were addressed, the responses provided for further learning						
I can relate the concepts to my role and apply what I have learned as hand a hygiene trainer						
The content was well administered						
Overall I am very satisfied with the Hand Hygiene train the Trainer Programme						

What worked well with the Hand Hygiene Train the Trainer Programme?

How could future training could be improved?

How do you propose to deliver Train the Healthcare worker training?
