

Five Moments for Medication Safety

Starting a medicine

- ▶ What is the name of this medicine and what is it for?
- ▶ What are the risks and possible side-effects?

Taking my medicine

- ▶ When should I take this medicine and how much should I take each time?
- ▶ What should I do if I have side-effects?

Adding a medicine

- ▶ Do I really need any other medicine?
- ▶ Can this medicine interact with my other medicines?

Reviewing my medicine

- ▶ How long should I take each medicine?
- ▶ Am I taking any medicines I no longer need?

Stopping my medicine

- ▶ When should I stop each medicine?
- ▶ If I have to stop my medicine due to an unwanted effect, where should I report this?
