Tuesday, 08<sup>th</sup> November 2022 13:00 to 14:00

To Register: <https://bit.ly/TalkTimeNIMSandEPoE>

(you will receive a confirmation email with instructions)

## QPS TalkTime No. 5 The National Incident Management System & Electronic Point of Entry

### Some of our guest speakers

**Lorraine Schwanberg**, Assistant National Director QPS Incident Management. Lorraine leads out on the Incident Management arm of the National Quality and Patient Safety Directorate (NQPSD) in the HSE. Lorraine and the teams remit includes incident management, open disclosure and the National Incident Management System (HSE).

**Brid-Ann O'Shea**, is the project lead for the electronic Point of Entry roll out of the National Incident Management System (NIMS), within the Incident Management Team and the wider National Quality and Patient Safety Directorate.

**Helen Flynn**, Clinical Nurse Manager 3, Urgent Care Centre in Children's Health Ireland at Connolly, Blanchardstown. Having completed paediatric nurse training in 2010 she spent 9 years working in the emergency department in CHI at Temple Street.

**John McElhinney**, is the Quality and Patient Safety Manager for the Saolta University Health Care Group and has over twenty years experience working in the related areas of Quality, Patient Safety, Risk Management and Clinical Governance.

**Martina Porter**, is the Quality and Patient Safety Manager at Letterkenny University Hospital in Co. Donegal. Her background is General Nursing and that patient focused role fuelled a love for Quality and Patient Safety. Her passion is driving a culture of quality and patient safety through education and training, in which she has an extensive background.
