

9th April 2021

Deputy Thomas Gould, TD
Dáil Eireann
Kildare Street
Dublin 2.

Re PQ: 14284/21

To ask the Minister for Health the number of persons waiting for periods of time (details supplied: 0-1, 1-3, 3-6, 6-12 and more than 12 months) for access to residential rehabilitation or detoxification treatment from March 2019 to date.

Dear Deputy Gould,

The Health Service Executive has been requested to reply directly to your above Parliamentary Question which you submitted to the Minister for Health for response.

The attached table outlines the returns that have been returned by the services to date. Unfortunately we do not have a full data set due to the holiday period. We are anticipating that all centres will return the data before the end of April, after which a more comprehensive answer will be issued to the Deputy. Some services have noted that they are estimating from current figures as they do not have a record of waiting list back to 2019.

As previously reported there are difficulties validating waiting lists as many of the interactions are telephone only.

I trust this information is of assistance to you but should you have any further queries please contact me.

Yours sincerely,

Joseph Doyle
