Re: 42196/25

To ask the Minister for Health the breakdown of the beds available, by county for residential addiction services for the years 2020-2025, in tabular form; and if she will make a statement on the matter.

Dear Deputy Brady

The Health Service Executive have been requested to reply directly to your above Parliamentary Question which you submitted to the Minister for Health for response.

The attached table lists the number of beds available as of July 2025 in residential addiction services provided directly by the HSE or Agencies that are in receipt of funding from the HSE. It is important to note that access to these beds would not be confined to people from the county where the beds are located.

I trust this information is of assistance to you, but should you have any further queries please contact me.

Yours sincerely,

Prof Eamon Keenan
National Clinical Lead-Addiction Services
HSE National Social Inclusion Office
