QPS Invitation: World Patient Safety Day Webinar

Friday 17th September, 2021 13:00 to 14:00

To Register: <https://bit.ly/2UEogxY> (you will receive a confirmation email)

Safe maternal and new born care - World Patient Safety Day

Hosted by the Quality and Patient Safety Directorate and the National Women and Infants Health Programme

Join us on the webinar to:

- ✦ Hear about the new Quality and Patient Safety Directorate and the implementation of the Patient Safety Strategy 2019-2024
- ✦ Join the National Women and Infants Health Programme (NWIHP) as we raise awareness on the issues of maternal and new born safety
- ✦ Learn how NWIHP through its implementation of the National Maternity Strategy is driving the safety agenda, in collaboration with our 19 maternity hospitals/units, in the key areas of antenatal, delivery and neonatal care

Speakers

Dr Orla Healy, HSE National Clinical Director, Quality and Patient Safety Directorate, Chief Clinical Officer's Office

Kilian McGrane, Director, National Women and Infant Health Programme

Angela Dunne, National Lead Mid-wife, National Women and Infant Health Programme

Roisin Egenton, mum to Darragh, born in January 2021

Dr Peter McKenna, Clinical Director, National Women and Infant Health Programme, former Master of the Rotunda who was a practising obstetrician for many years

Dr Carmel Moore, Consultant Neonatologist, National Maternity Hospital, Holles Street

Upcoming Webinars

21 September: [A conversation with Dr Amar Shah](#), Consultant forensic psychiatrist & Chief Quality Officer at East London NHS Foundation Trust (click on the title to register)

The QPS Directorate provides a regular lunch time 1 hour webinar series focusing on improvement. Running approximately every two weeks (in term time). It is open to all those interested in improving quality. Join individually or together as a group to assist in building your own local QI networks.
