

# Learning Outcomes

At the end of the day, you should:

1. Understand the role of key stakeholders in responding to bathing water incidents
2. Be aware of the need for prompt communication between LAs, HSE (EHS and PH), and the EPA
3. Know the communication protocol for reporting bathing water incidents

## Learning Outcomes

4. Know the threshold levels in Table 1 and the appropriate actions to take based on these
5. Know the criteria for lifting a bathing water prohibition
6. Be able to correctly list the 5 changes in the 2019 Bathing Water and Health Guidance
7. List the steps in performing either a PHRA or EHRA as appropriate
