

After your COVID-19 Booster Vaccine

If you

have difficulty breathing or

feel dizzy or

have a fast heartbeat or

a skin rash

Get medical care immediately.

This could be a sign of an allergic reaction.

Please wait

15 Minutes if this is your first or second vaccine

30 minutes if you have a history of mastocytosis

Advice has been provided by the RCPI National Immunisation Advisory Committee.

Read their COVID-19 Chapter from the Immunisation Guidelines for Ireland from <https://bit.ly/NIAC5a>
