

Make sure you're protected

**The HPV vaccine protects against HPV
related cancers including cervical cancer**

**“When I got my diagnosis I decided that I would do
anything to stop this from happening to anyone else.”**

Laura Brennan, 1994 - 2019

If you missed out on the HPV vaccine at school,
see if you are eligible to get one now as part of the
Laura Brennan catch-up programme on [HPV.ie](https://www.hpv.ie)
