

Rhyme Time Voices and Games

Nursery Rhymes are a fun to learn about rhythm, rhyme and are a fun way to learn new language. In Happy Talk we will be doing a new Nursery Rhyme every week. These are some fun ways to practise them at home.

<p>Laughing</p> 	<p>Slow Motion</p> 
<p>Whisper</p> 	<p>Loud-Quiet-Loud</p> 
<p>Robot Voice</p> 	<p>Silly Voice</p> 

When it gets a bit easier try these games:

<p>March/tap/drum/clap out <u>each beat</u> or <u>each word</u></p> 	<p>Say <u>every second word</u> with your child</p>
