

Drug	Dose	Duration	
<b>1st choice options</b>			
<b>Flucloxacillin</b>	500mg-1g every 6 hours	5 to 10 days	Reassess after 5 days of treatment as failures do occur and referral to hospital may be necessary if not responding to treatment. If improving but not fully recovered extend treatment course.
<b>2nd choice options / Penicillin Allergy</b>			
<b>Clindamycin</b>	300mg-450mg every 6 hours	5 to 10 days
