

Limits to Confidentiality

When We Can't Keep Information Private: Protecting Children

We respect your right to privacy and are committed to keeping your information secure.

However, there are limits to this confidentiality. In some situations we are required to share information.

If we are concerned about a child's safety or well-being, we may need to share information with Tusla – Child and Family Agency or An Garda Síochána. This is required by law to protect children.

To access an information leaflet about Limits to Confidentiality scan the QR Code or visit our [website](#).
