

GP Access to Diagnostics

Radiology

CHO 6: Wicklow and Dublin South-East

September 2022

GP Access to Diagnostics Radiology CHO 6

Wicklow and Dublin South-East

The GP Direct access to Diagnostics programme covers X-ray, CT, MRI and DEXA. Referrals for these modalities should be submitted by Healthlink only, with the exception of referrals to Global Diagnostics (T/A Medica) where referral is by email to hse@globaldiagnostics.ie or by secure 'fax to email' line at 01 5313425. Referrals must include the following information in the free text box on the General Referral Form:

- Code 'GP Access to Community Diagnostics' (See 'Radiology FAQ' document) / CHO / Area / 8-character Medical Card or GP Visit Card number or 7-character Health Amendment Act (HAA) card number / Provider and Location / Modality / Part of the Body to be scanned (depending on type of scan being requested) / Urgent or Routine / Patient Mobile Number / Relevant clinical information including previous imaging and where this was done.
- Ultrasound is provided through a separate initiative, referrals can be made through Healthlink or as per local arrangements where these apply
- Please refer to the 'Radiology FAQ' document for further information and eligibility requirements.

Location changes can occur and if you have any queries regarding your preferred location, contact the community diagnostics team (community.diagnostics@hse.ie)

For referrals to community/hospitals or existing arrangements, please follow the standard referral process

* The Bray PCC service is open to GPs in CHN 5,6 and 7. The X-Ray service will be available from April/May 2021.

** The Global Diagnostics service is open to GPs in CHN 8.

Area	Modality	Type of Service	Provider	Provider Location	Provider Address
