<b>Q-Pulse Doc No:</b>	MEMO111	<b>Date of Issue</b>	06 February 2018
Change of reference range for Free T3			

## MEMORANDUM

<b>Originating Department</b>	Biochemistry
<b>Issued By:</b>	Dr. Maria Fitzgibbon
<b>Issued To:</b>	All Users
<b>Subject:</b>	Change of reference range for Free

**Details:**

Abbott Diagnostics, the manufacturer of our free T3 assay have adjusted the methodology used on the ARCHITECT analyser. They have informed us this change is being implemented to improve the robustness of the assay calibration. The normal reference range quoted for this new methodology differs slightly from the old range and this new range is as follows:

**2.89pmol/L - 4.88pmol/L**
