

Regional Centre of Nursing & Midwifery Education
Located at Connolly Hospital
&
Tayleur House, St Ita's Campus

Calendar of Educational Programmes
July-December 2021

'Disclaimer: The HSE shall have no liability for any injury, loss, damage or claim arising out of, or in connection with, any person's attendance and/ or participation in any programme/s' (HSE Office of the Nursing and Midwifery Service Directorate- April 2013)

*****Due to the cyber-attack on the HSE, our Classroom Management System (where staff would usually book on to a course) on HSELand is still unavailable. Please see the following information on how to book a place on a course*****

Application Process:

- Identify an education programme you wish to attend and discuss it with your line manager. **Line management approval at Assistant Director of Nursing level is required for attendance to all RCNME education programmes.** Line management approval does not guarantee a place on a programme.
- Priority for RCNME programmes will be given to employees of the Health Service Executive (HSE).
- A booking form must be completed to attend any course, check the booking arrangements column below for details on who to send your booking form to or how to book a place on the course.
- Applicants will be notified via email if they are successful / unsuccessful in their application.
- In the event of unforeseen circumstances, it may be necessary to cancel a programme. All applicants will be notified by email/ mobile phone.
- In the case of a cyber-attack where we have no access to any HSE devices, contact details etc. please endeavour to contact RCNME Dublin North via phone or in person, where possible, to get further information on the programme/s you are enrolled on.
- A waiting list may be maintained by the RCNME for some education programmes.
- All education programmes for Registered Nurses and Registered Midwives are Category 1 approved by the Nursing and Midwifery Board of Ireland (NMBI) with Continuing Education Units (CEU's) or/and approved by an awarding professional body.
- Please ensure you are available to attend education programmes in totality. Certificate of attendance will only be issued on completion of the education programme attended.
- There is no attendance fee for education programmes provided by the RCNME for HSE staff.
- RCNME website: <https://www.hse.ie/eng/services/list/3/acutehospitals/hospitals/connolly/nursingandmidwiferyeducation/educationalprogrammes/>
