Application Process:

- Identify an education programme you wish to attend and discuss it with your line manager. **Line management approval at Assistant Director of Nursing level is required for attendance at all RCNME education programmes.** Line management approval does not guarantee a place on a programme.
- Priority for RCNME programme will be given to employees of the Health Service Executive (HSE).
- Check the booking arrangements column below for details on how to book a place on the courses, see ‘**Where to find and how to navigate the Calendar of Educational Programmes**’ recording above.
- Applicants will be notified via email if they are successful / unsuccessful in their application.
- In the event of unforeseen circumstances, it may be necessary to cancel a programme. All applicants will be notified by email/ mobile phone.
- A waiting list may be maintained by the RCNME for some education programmes.
- All education programmes for Registered Nurses and Registered Midwives are Category 1 approved by the Nursing and Midwifery Board of Ireland (NMBI) with Continuing Education Units (CEU’s) or/and approved by an awarding professional body.
- Please ensure you are available to attend education programmes in totality. Certificate of attendance will only be issued on completion of the education programme attended.
- There is no attendance fee for education programmes provided by the RCNME for HSE staff.
