

Critical Care / Coronary Care Unit

Our Location:

The Critical Care/Coronary Care Unit is located on the second floor (Level C) of the Regional Hospital Mullingar.

Our Services:

The CCU provides a high level care for both coronary high dependency and intensive care patients with medical, surgical or obstetric conditions who are admitted from the Emergency Department, as well as external transfers and the hospital wards. Patients receive individualised care, planned on a daily basis, taking into account the constantly changing condition of the patient. At all times the confidentiality, privacy and dignity of the patient will be assured.
