

Library and Information Service

Our Location:

We are located on the Ground Floor (Level A) of the Regional Hospital Mullingar in the Administration Building, located behind the Main Hospital, adjacent to the Education Centre.

Access

All staff and students on placement can use the Library Service.

Our Services

Our services include the following:

- The provision of access to a wide variety of health and social care resources, both in print and electronic format
- The library has a small comprehensive print collection service available
- Electronic resources include clinical information resources such as UptoDate, Clinical Key, Best Practice. The library also provides on site and remote access to an extensive collection of e-journals, databases including Medline, CINAHL, PsycINFO, drug information resources including the BNF and the BNFC
- The library provides training and support to assist in patient care and in research
- A small study area is available
- Guest WiFi facilities are provided
- Scanning, printing and photocopying facilities are available
- Video conferencing, webcast facilities for clinical meetings and for education and training.
- Access library resources at www.hselibrary.ie/midlands
