

Medical 1

Our Location:

Medical 1 is located on the 4th floor (Level E) of the Regional Hospital Mullingar.

Our Services:

Medical 1 patient profile includes General Medicine, Endocrinology, Cardiology, Respiratory, CNS, including Stroke & Gerontology.

Our ward Philosophy of Care is that of empowerment of the patient through education to independence & health. Our care is delivered in a holistic way through a multidisciplinary team in partnership with the patient, their family or carers.

Evidence based practice and quality patient care is promoted in Medical 1 to ensure positive outcome of care. We use the nursing metrics to ensure we maintain a high standard of care. Our ward staff are active in updating their continuous professional development. Patient education, advice and health promotion is highly regarded within our ward environment.
