

Resuscitation Office

Our Location:

The Resuscitation Office is located in the Ash Unit on the 2nd floor (Level C) of the Regional Hospital Mullingar. Teaching sessions are held in the local Education Training Rooms at the various HSE sites.

Our Services:

This service has developed over the past 15 years, and training is provided in the following areas:

Basic Life Support for both Health care professionals and support staff offered site dependant. There are 121 BLS Instructors plus 8 new instructors being processed throughout Acute Hospitals Mullingar/Tullamore Portlaoise, 9 Community Nursing Units, Disability Units Lough Sheever and St Peters, Ambulance Service, St Lomans and St Fintans Hospitals.

Advanced Cardiac Life Support (ACLS) 2 Day courses x 4 each year. Two held in Bloomfield Hotel Mullingar, 2 held in Bridge House Tullamore. Medical Directors include consultants from 3 acute sites; one director on every course. Other ACLS instructors are from Critical Care areas such as CCU /ICU in each of the 3 acute hospitals.

1 Day Recert ACLS Classes are held locally during the spring and autumn, as required.

Paediatric Life Support (PLS) 1 Day course facilitated by Breda Ward with instructors from both Midlands and Crumlin Hospital. Venue: Bridge House Tullamore. 3 courses per year with 24 candidates per course.

Basic Life Support Instructors Course. 2 Day Course held annually with a 90 day follow up for each candidate.

Anaphylaxis Training: 1 class per month. Locations: Mullingar/Tullamore/Portlaoise Hospitals. Assist with and support Community Defibrillation Groups. Recertify all Instructors every 2 years.

Our Service Opening times:

Monday - Friday (office hours)
