

Special Care Baby Unit (SCBU)

Our Location:

SCBU is located on the first floor (Level B), beside the Paediatric Unit of the Regional Hospital Mullingar.

Our Services:

The aim of the Special Care Baby Unit is to care for the neonate in a holistic and individual manner under the clinical leadership of Dr Michael O'Grady. We aim to provide a safe and caring environment conducive to family / carer empowerment and participation. We work in conjunction with a multidisciplinary team to ensure evidence based quality care. Dignity, respect and confidentiality are provided to all our patients and families. Education and health promotion is paramount in our unit for the family / carers and all staff to ensure optimum health of the neonate.
