

Week 4 Beauty – Advanced Make-Up with Deborah

New Directions: Health and Wellbeing and Personal and Social Development.

Name:

Date:

1. Apply foundation to your face.

2. Apply the concealer under your eyes as shown in the video.

3. Use your make-up sponge to blend in the concealer.

4. Use a brush to dab the powder onto the face.
This will set the make-up.

5. Comb your eyebrows in an upward movement.

6. Use an angled brush to apply eyebrow make-up.

7. Use a fluffy brush to apply eye shadow.

8. Apply mascara as shown in the video.
Start at the bottom.

9. First apply lipstick.
Then apply lip gloss.

10. Apply your highlighter.

Add to the picture what colours you might choose for your eye shadow and for your lips.

You can try a few different looks.
