

Week 2: Gardening with Noel – Planting bulbs

**New Directions: Personal & Social Development,
Personal Expression and Creativity**

Name:

Date:

Noel is planting Lilies bulbs

1. First put rocks into the bottom of the pot for drainage.

2. Fill the pot $\frac{3}{4}$ to the top full with compost. You can use your hands or a shuffle.

3. Put a hole into the middle of the peat, big enough for the bulb.

4. Put your bulb into the pot. Root side down.

5. You can keep this plant outside and replant it in the spring.
