Date:

If you are right handed then you strum with your right hand.

If you are left handed you strum with your left hand.

There is 6 notes on the guitar.

The lowest pitch note is Low E (the top one)

The next one is A (the second one)

The next one is D (the third one)

The next one is G (the fourth one)

The next one is B (the fourth one)

The highest pitch one is High E
(the one closest to the floor)

Playing a note on its own is called
open string.

When you place your hand on the
fret – it changes the note.

When you combine notes its called a cord.

This is D cord.

- On G string hold second fret
- On High E string hold second fret
- On B string hold third fret
