Advice

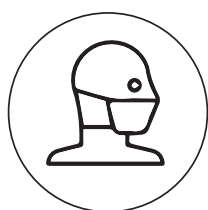

Please phone the doctor first for medical advice if you have:

- **fever** (high temperature – 38 degrees Celsius or above)
- **cough**
- **shortness of breath**
- **loss or change to sense of smell or taste**

This helps to protect other people visiting this surgery today.

PHONE US FIRST

TEL:

Wear a face covering inside the GP surgery

Wash your hands well and often to avoid contamination

Cover your mouth and nose with a tissue or sleeve when coughing or sneezing and bin used tissue

Avoid touching eyes, nose or mouth with unwashed hands

Clean and disinfect frequently touched objects and surfaces

Stay safe.
Protect each other.
