

243,353
Total Vaccination Doses

154,900
Dose 1

88,453
Dose 2

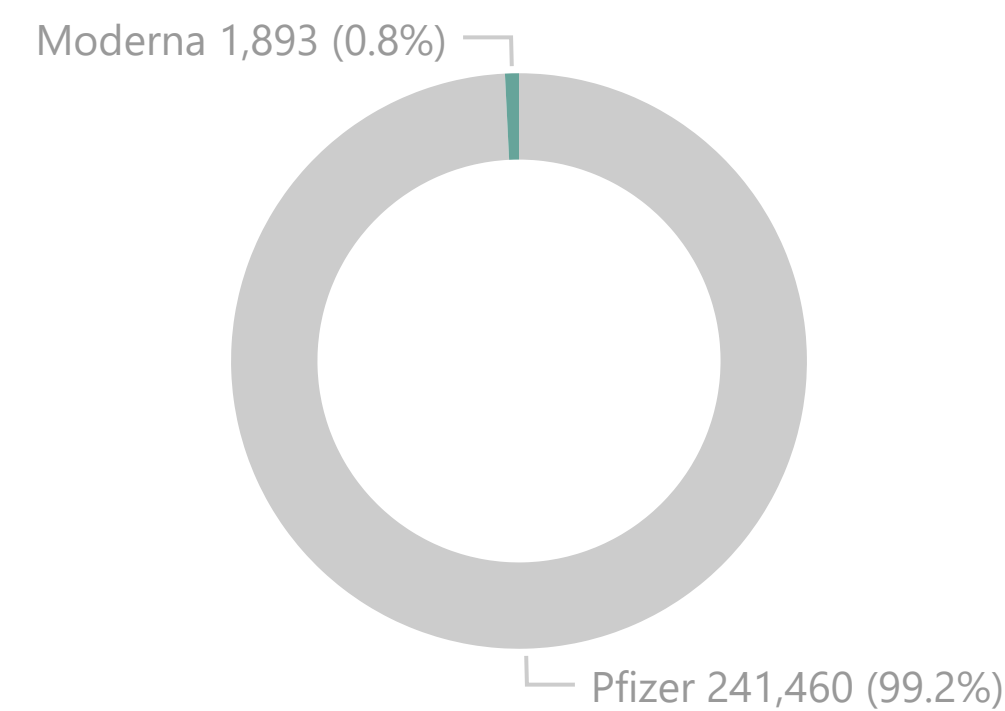

No. of Doses Administered

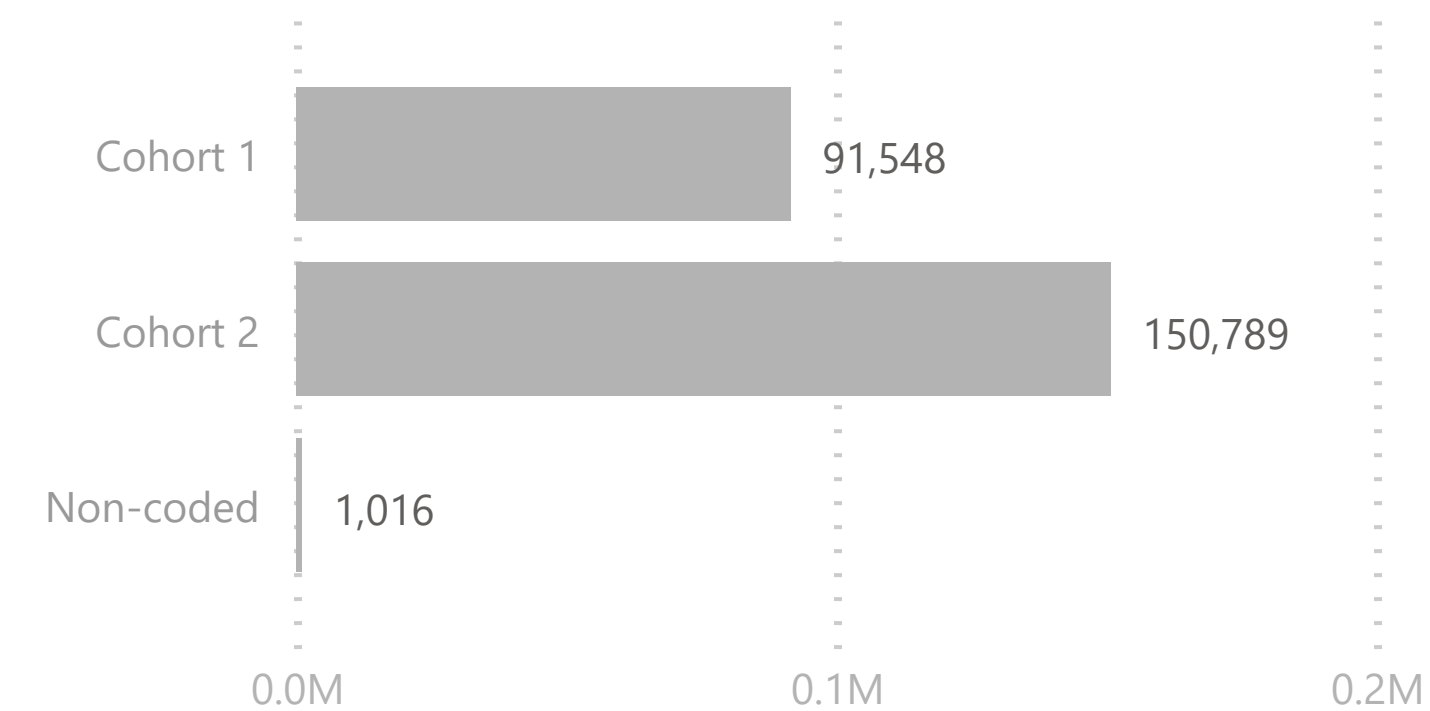

Please note the following:

1. There will be a two-day lag in publication.
2. The number recorded as having been delivered will always be modestly below the number actually delivered. This will be due to a lag in a small number of cases between the actual administration of the vaccination and the subsequent recording of details on the system.

Doses Administered by Type

No. of Doses Administered by Cohort
