

Lots of words for lots of things

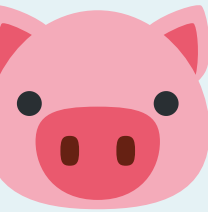

Activity Ideas

During daily routines chat about what you are doing.

Getting Dressed: Name the clothes: socks, jumper, shoes, t shirt. Name what you and your little ones are doing: reaching up, putting on, pull down, lift up, standing sitting

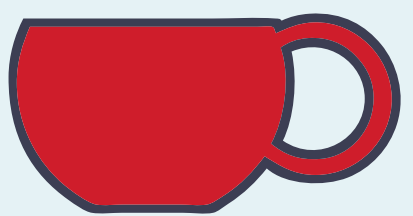

When playing with dolls, teddies or little people talk about how the characters might be feeling." I think Teddy is sad because she wanted a treat"

Name the actions when playing: "Teddy is *eating*, Dolly is *washing* her face, Peppa is *jumping* in puddles".

Toy animals or Kitchen play.

Name the animals or food your little one holds up.

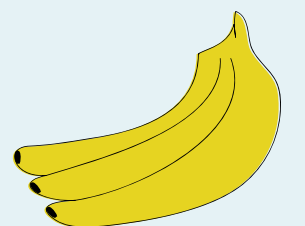

Greet the animals: "Hello Cow, Hello Pig".

Name what the animals are doing .

"The pig is *rolling* in mud"

Describe them too! "He's a dirty pig!"

Try to do this when they are holding them or doing it as this will help your little one understand what the words mean.

They will link the word with the action or thing.
