Quality Assessment and Improvement Tool (QA+I)

A Quality Improvement approach to assessing against Standards

Dr. Mary Browne,
QPS Division

Defining Quality

PALLIATIVE
CARE

- Institute of Medicine
 - Safety, Effectiveness, Equity, Timeliness, Efficiency, Patient-centredness

- NHS Scotland

- Person-centred care, Safe care, Effective care

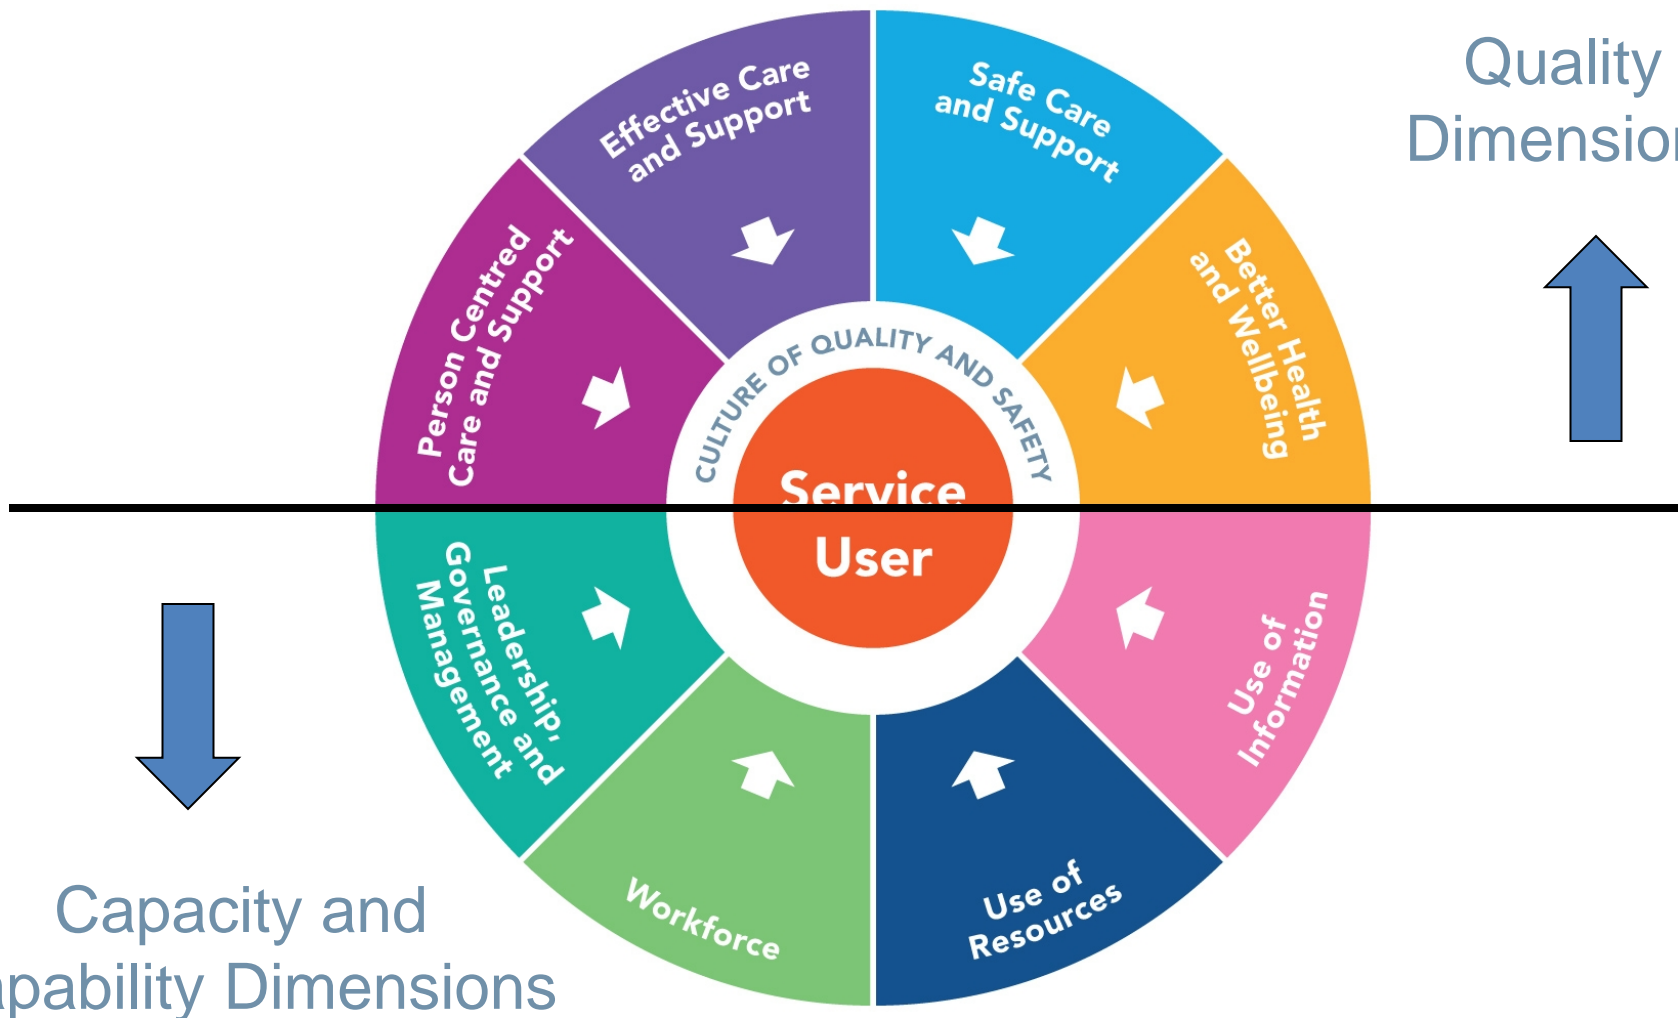

National Standards for Safer Better Healthcare

PALLIATIVE CARE

Quality Dimensions

National Quality Standards

PALLIATIVE
CARE

- Common agreement on what constitutes a quality service
- Common language to quality
- Frames quality improvement work

Previous Experience

PALLIATIVE
CARE

- Positives:

Greater understanding of roles

Certain barriers overcome

Teamwork

- Negatives

Huge paper-based task

Independent activity

UCD Business Schools

Accreditation as a Quality Tool in Public
Sector Reform:

Early considerations

PALLIATIVE
CARE

- Services under significant pressure
- Changing governance
- Not starting from scratch
- Move away from an 'assembly line' box ticking compliance exercise

Translation of Standards

PALLIATIVE
CARE

Translated

53 Essential Elements
of Quality

THEME		NUMBER OF STANDARDS	NUMBER OF ESSENTIAL ELEMENTS
THEME 1	Person Centred Care and Support	9	9
THEME 2	Effective Care and Support	8	10
THEME 3	Safe Care and Support	7	12
THEME 4	Better Health and Wellbeing	1	1
THEME 5	Leadership, Governance and Management	11	12
THEME 6	Workforce	4	4
THEME 7	Use of Resources	2	2
THEME 8	Use of Information	3	3
TOTAL		45	53

Quality Journey

PALLIATIVE
CARE

**Increasing maturity and
reliability**

4. Excellence

3. Sustained Improvement

2. Continuous Improvement

1. Emerging Improvement

QA+I Workbooks

PALLIATIVE
CARE

- Standards, Essential Elements of Quality and Quality Levels
- Evidence to verify your level of quality
- Add own evidence from service
- Quality improvement plan template

An Honest Discussion

“If we stop being frankly dishonest or at least disingenuous about what can be done and we are *accurate in our description of the quality [currently] being provided* then we can have a **sensible** and **open** discussion about what our priorities are.”
