

Disability listing of applicable statutory regulation, codes of practice, standards or quality assurance programmes for all Service Arrangements.

This listing is provided as an aid to Providers in accessing the pertinent statutory regulation, codes of practice, standards and quality assurance programmes applicable under the Service Arrangement. It is not an exhaustive listing and Providers must ensure that they have adequate systems in place to identify and comply with all their legal, regulatory and professional responsibilities with regards codes of practice, standards and quality assurance requirements in the delivery of the services. Where HSE specific policies, standards or codes are included, the Provider must ensure it has equivalent standards /policies /codes in place which reflect the principles outlined, in a manner relevant to the Provider's individual structures.
