Inspection Report

Re: Inspection of New Lodge Nursing Home, Stocking Lane, Rathfarnham, Dublin 16 under the Health (Nursing Homes) Act, 1990 and the Nursing Homes (Care & Welfare) Regulations 1993

Dear Sirs,

The Nursing Homes Inspection Team from a medical and nursing perspective inspected the New Lodge Nursing Home on 02/05/07.

The inspection commenced at 10.30 am and was completed by 1.30 pm. This inspection was unannounced.

There were 35 residents on this date. The Nursing Home is currently fully registered for 35 residents.

The above nursing home was found to be in substantial compliance from both a medical and a nursing perspective under the Health (Nursing Homes) Act, 1990 and subsequent Regulations at the time of inspection.

Recommendations: Continue to develop written policies on:

- Dementia Care
- Falls Prevention
- Preparation for Death and Dying

While the nursing home is reviewing nursing care plans at present, the team recommends that the nursing staff continue to record residents’ health, and condition and any treatment given on a daily basis, in the nursing Kardex

Signed:
